## \$750,000 IS YEAR RECORD IN BUILDING IN RICHMOND

The annual report of L. Wierda, city building inspector, for the fiscal year ending June 30, 1921 shows the total value of buildings for which permits were issued to be \$607,589. For the year ending in 1920 the value of buildings for which permits were issued amounted to \$824,583.50, for 1919, \$419,117, for 1918, \$42,305.50, for 1917, \$449,551.50, for 1916, \$273,943 and for 1915, \$331,948. Fees collected during the past year were \$1,348.70.

Although the year ending in 1920 is the banner period for building in Richmond, it is expected that the present fiscal year will also rank high in comparison with the past five years.

The electrical permits issued by the inspector for the year ending June 30 number 256 and the fees collected from this source amounted to \$415.75.

From the five electricians licenses issued during the year \$125 in fees were collected making in all a total income of \$1,929.45 in fees for the city.

The report further shows April 1921 was the month in which the largest valuation of permits was issued, there being thirty-one permits issued with a building valuation of \$139,438.

September 1920 ranked second with a total of forty-one permits and valuations of \$117,444.

During July 1920, third in rank, there were thirty-one permits issued, valuation \$91,885; January 1921 fourth in rank, twenty-one permits, valuation, \$62,070; August 1920 fifth, thirty-five permits valuation \$43,890; December 1920 sixth, fifteen permits, valuation \$35,715.

February 1921 came seventh in the list with a total of nineteen permits and a valuation of \$25,135; May 1921, eighth, twenty permits, valuation \$25,135; October 1920, ninth, twenty-nine permits, valuation \$23,885; November 1920, tenth, twenty-six permits valuation \$18,547; March 1921, eleventh, twenty-six permits, valuation \$10,900; June 1921 twelfth, fifteen permits with a valuation of \$8,763.

Six permits were issued for public buildings all of which are listed in the report as having a valuation of \$202,036. Permits for store buildings numbered eleven with a valuation of \$104,850.

Dwelling permits totaled sixty-one with a valuation of \$201,070. Only one permit was issued in the apartment class, its value being \$19,000. For old work there were eighty-two permits, the valuation being \$33,386. There were two permits for industries, valuation \$11,800.

The remainder of the permits which numbered 145 were for miscellaneous work for which the valuation has been set at \$35,447. Only one permit was cancelled during the year.

## Basket Social is Given by Yeomen At Moose Hall

Shrieks and laughter rang thru the corridor of Moose hall last evening, and The Record-Herald reporter, wondering why feminine voices thus being exercised, was soon informed that Liberty Home-stead of Yeomen was giving a basket social and that said shrieks were caused by "Uncle Will," instead of "Jack," getting the ribbon-trimmed box that some fair hand had prepared.

The men were the bidders for the baskets of delicacies, which of course carried with them the privilege of supping with the one who had bought it, and were more than eager to take a chance on the contents, and the provider. Ice cream was donated for all by Harold Parviance.

Plans were completed last night for the public picnic which the lodge will hold at Kozy Grove July 24. Dancing and games promise a treat for all who attend. Arrangements for the picnic are in the hands of a committee which comprises Mrs. W. Parks, Mrs. Frank Appell and Albert Healey.

## NEED OF CLINIC IS URGED

### House is Destroyed When Contraband Explodes

#### CITY IS ASKED PROVIDE FOR HEALTH CENTER

Most of the time of the members of the council, sitting as a board of equalization and a budget committee, was taken up last evening with a discussion of the proposed community health center, and it is very likely from the plans that were formulated, that the institution will be brought into existence in the next few months.

Representatives of the Red Cross, Humane society and the Social Service Bureau, were present at the meeting and urged upon the council the importance of making provision in this year's budget for the health clinic.

It is estimated that it will take \$6,000 to care for the expenses for a year, and it is very possible that a part of this sum will be secured from the board of supervisors of the county. A committee from this city will appear before the board on the 18th of this month.

Talks on the subject were made by Dr. C. L. Abbott, Harry Marcus, Arthur Alstrom, attorney Tsar N. Calfee and Mrs. L. H. Capina.

#### Roster of A. L. Increased by 9 New Members

At the meeting of the local post of the American Legion in Richmond hall last night nine new members were taken in and plans were discussed for the coming membership campaign which is to be fully launched soon. Much of the business of the organization was also taken up and discussed and following this a luncheon was served.

Comrade Wilbur Oakley was appointed sergeant-at-arms in the place of F. L. Grunhut, who is to be absent for some time on a trip to Europe.

The new members of the post are: Pietro Regalia, F. R. Lindow, Morris Manchester, M. W. Clements, C. W. Schols Mike Vukelich, Francis Bruno, John Roy Patterson and Albert A. Alloro.

After the completion of the business and the luncheon some of the members repaired to Musicians' hall where a meeting of the Women's Auxiliary of the local post was being held.

#### American Legion Will Cross Bats With S. F. Nine

The American Legion ball team will meet the Richmond club of San Francisco at First street park Sunday afternoon. The local team is showing more strength in every game, and in securing Snavely, Cunningham and Duncan of the Twilight league it will be harder to beat.

The line-up for tomorrow's game will be: E. Tandy, 2b; S. Duncan, 3b; G. Snavely, 1b; F. Lane, ss; P. Chamberlain, rf; P. Hanish, c; G. Soby, cf; G. Reifschneider, m; S. Cunningham, p; Woollsey, Pinckerton, Wright and Lang, substitutes.

#### Two Girls are Held Prisoners by Bogus Cop

Held prisoners in the hills back of Richmond all night, after being abducted in an automobile by a man wearing a uniform and star who claimed to be a police officer was the plight of two Berkeley girls, Alma Kangas, 18, and Mamie Kangas, 15, who were returned to their home yesterday morning in a hysterical state.

The girls, who are the daughters of Mrs. Mary Kangas, 2800 Ninth street, Berkeley claim to have been mistreated during their abduction.

According to Mrs. Kangas the stranger declared that he would have to take the girls to the police station to question them about their part in Oakland night life. About 8 a. m. the stranger carried the girls off. On their return in early morning, they did not know where they had been, except that it was in the hills east of Richmond.

#### Grass Blaze Sets Fire to Frederick Home Last Night

A house belonging to A. Frederick 2618 Soito avenue, caught fire a short time after 6 o'clock last night from burning grass and about \$25 damage was done to one of the outer walls of the building. The fire department arrived before any appreciable damage had been done and extinguished the flames with chemicals. The grass fire had been allowed to burn too close to one of the walls and the result was that the exposed wall began to burn.

#### WHISKY ODOR BETRAYS CAR MOIST GOODS

The keen scent of Marshal John Glavinovich, who was standing at Main street and San Pablo avenue, just across the county line, is the cause of two men languishing in the Alameda county jail.

The pair were driving from Martinez in a large automobile, and made a mistake of crossing the S. P. tracks at a high speed. A crash and tinkle sounded in the car, and then the odor of good whisky was wafted to the nostrils of the marshal.

The officer immediately gave chase and caught the motorists wet-handed, so to speak, near the Berkeley line on San Pablo.

No less than fifty-five gallon demijohns of bootlegged whisky were found in the car by the officer. The car, with the moist cargo was held at the Albany firehouse and the men taken to the jail and booked for violation of the prohibition act.

The offenders gave their names as Jack Wise, a cook, age 32, and L. M. Stewart, a chauffeur, age 20.

Wise claims innocence asserting that he had been offered a ride by Stewart. Stewart says that this is so, and excuses himself with a claim that he did not know what he was carrying, having been made the tool of bootleggers. He declares that he was told to drive through Oakland streets until hailed by one of the garg.

#### EDUCATORS OF NOTE HERE TO DISCUSS WORK

The program announced for the school trustees convention to be held in Richmond today shows it is to be one of the most comprehensive ever outlined for a trustee convention, according to Superintendent of Schools William H. Hanlon. Some of the most noted educators in the country will be present.

The sessions will be held in the Lincoln school auditorium and will open at 9:30 o'clock. The whole day will be given over to lectures and discussion by speakers and trustees.

Superintendent Hanlon will open the program with an address dealing with the school work of the past year, the work for the coming year and the budgets as required by the new state law.

Dr. Raymond Franzen of Columbia university, on the summer school faculty at the University of California, will speak on intelligence testing under approved systems. Dr. Franzen is noted as an authority on this subject.

Mrs. William H. Hanlon will present a vocal solo, accompanied by Miss Bertha Weber.

Mrs. Alice G. Whitlock, county librarian, will speak on the county library system, and Assistant Superintendent of Schools R. H. White will speak on "The Efficiency of Contra Costa's schools."

"Making Our Schools Vital" is the subject of the next address, which will be given by Dr. Charles Prosser of the University of California, who for several years was head of the government vocational department. Miss Rachael Miller, county school nurse, will then speak on county health conditions.

Dr. F. W. Hart of the University of California will discuss "Making the Building Program Fit the Needs of the Community," and Sam Cohn, a member of the state board of education, will discuss changes in the school law.

#### Rotarians Enjoy Address by the Dist. Governor

Charles Bills, of Sacramento, governor of the Twenty-third district, yesterday delivered an inspiring message to the Richmond Rotary club at its weekly meeting. Mr. Bills, who is one of the leading fruit men of the west, took as his theme, "Service Above Self." He outlined the program of work for the Rotary clubs of California and adjoining states for the coming year.

An interesting account of the boys' camp at Clear Lake, where twenty boys were sent by the kindness of the club, was given by Victor Brammer, secretary of the Y. M. C. A.

Ben Allen, publisher of the Sacramento Union, was another distinguished guest. His witty talk amused the members highly. Parts of a letter from his daughter in Edinburgh, where the recent international convention of Rotary was held, was read by E. M. Downer. Fred B. LaMoine presided and Clark L. Abbott was chairman of the day.

#### Shines Shoes And Peddles Booze; Fined

A raid on the shoe shining parlor and cigar stand at 1323 Macdonald avenue, operated by M. H. Badgett, colored, brought to light yesterday afternoon an exceptionally fine if not extensive stock of Jack-uss brandy presumably kept for the relief of the parched ones possessing the price.

Behind the counter a quart bottle of the prohibition liquor was found by Chief of Police W. H. Wood, who conducted the raid, and secreted underneath the boards of the floor was a gallon demijohn partially filled with the commodity.

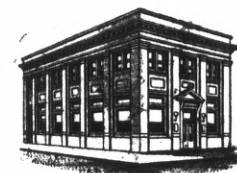

When arraigned before Police Judge C. A. Odell later in the afternoon, Badgett pleaded guilty to defiance of the city Volstead act and was fined \$100, which he promptly paid.

Apparently the profits in bootlegging are large.

#### Work is Rushed on Camp Grounds at Twenty Third

Work on the free automobile camping grounds which was started recently is progressing rapidly. The foundation for the building which is to contain a community kitchen and laundry has already been laid and the work on the building has been started.

In addition to this the gravel for the drive, which will circle the building has been put in place and the ditch for the gas mains has been dug preparatory for the gas equipment and sewerage system. It is expected that the work will continue without interruption and that the grounds will be ready for service within a short time.

OFFICIAL PAPER CITY OF RICHMOND

## THINKOGRAPHS by F. J. HULANISKI

## SATURDAY SUMMARY

We went to Oakland the evening of the Fourth, to see the fireworks on Lake Merritt, which were very good, especially the naval battle between three warships. On the way back a man jumped all over us, about something he said we had written about him in the paper, way back in 1913. He didn't say what it was, but got so nasty about it that we finally had to inform him that if he wanted to start something he had rung up the right number. Next day we went through the files of the paper and found that his wife had had him in jail several times for non-support of his family. An editor's life is one continual round of pleasure.

It will be noticed that the Santa Fe is putting on men again at the shops, and the outlook now is that other industries will begin to do likewise very soon, for several reasons, one being that excess supplies are getting low and another is that strikes are less numerous and workmen the country over have pretty generally made up their minds that wages must come down a peg or two, as well as the cost of living. The railroad men are to take a vote on their wage reduction, which will prolong the uncertainty another two months. As soon as the uncertainty about labor troubles is over industry will start up with a hum.

Mare Island had a big scare the other day when it was announced that owing to the inability of congress to agree upon the naval appropriation the yards there would be shut down indefinitely, throwing over eight thousand men out of employment. A later dispatch came to keep the work going, but the details of it were not given. Eight thousand families without income would certainly be a blow to Vallejo that would be something fierce, and it is to be hoped that congress will get a move on and do what is necessary about it all summer.

This is the California vacation season, and it is utterly impossible to get a rise out of anybody or anything. The weather has been unusually warm and it takes the pep out of people, and they want to get away to the woods and mountains. We don't blame them; we'd like to do the same, only the paper has to come out, whether news happens or not, and one can't attend to business worth shucks while sitting under the shade of a tree along the banks of a river in the mountains watching a fishline and cork bob up and down on the water. Even the flowers and vegetables take a rest at this season, here, and refuse to grow, but just sort of stand still, even when well watered. The Chamber of Commerce is not chambering, the women's clubs are not clubbing, and nobody is doing anything more than they have to. Unfortunately for most of us we have to provide the meal tickets, and that means work whether one feels like it or not. We took another trip over into the mountains this week, and will tell about it tomorrow. The more we see of those mountains and the gold being taken out of them, the less inclined we are to write editorials and the more inclined we are to mine.

It is too bad that Richmond has not attended to this auto camp business long ago, and fixed up a beauty spot that would attract autoists from all over the country. Such a camp ought to have trees, flowers, grass and plenty of water, and be made inviting. There are some beautiful parks used as camping grounds for tourists over the country here and there, and hundreds travel past other places to get to them, because the surroundings and conveniences are attractive. Autoists generally buy supplies where they camp, and in this manner spend considerable money in camping towns during the course of the season. If 388 and Macdonald is to be made a permanent camping place it ought to be planted to trees and fixed up considerably this fall, so it will look like something other than a bare spot next season. Park benches should also be provided.

We must not get discouraged because business and times do not pick up as fast as we would like, for it is that way not only all over America but all over the world. Of course, we would like parks and playgrounds, electroliners along the avenue, a civic center recreation hall, public swimming baths, the ferry running between here and San Francisco, and Proctor & Gamble and the other industries that are coming get busy right away and spend millions, and put thousands to work, and all that, but would any of us, as individuals, expend millions if we had it and start up new industries, in the face of conditions the way they have been for some time past? Not if we had good sense. All that will come in due time, and some of it will come this fall, and more next year. The Lord did not make the world in a minute. It took him six days. We have faith in Richmond, faith in Richmond people, faith in the future and faith in both our fellow man and the goodness of God. Industry will hum again here before very long now, and then we will all forget we ever had any close shaves or anything of the sort. We cannot get any information from the Standard Oil as to what they are going to do, or when, but we have a hunch that they did not build and fit up that elegant cafeteria capable of providing for five thousand men just for the fun of it. So, let those of us who can take a little vacation during the hot spell, and when we get back to work we'll be as full of pep and activity as a pup with a flea on the end of his stub tail where he can't reach it.

It is encouraging to note that the assessed valuation both in Richmond and over the county generally has materially increased in the past year; very much so, in fact. This shows that our population is increasing and that new enterprises have located here and elsewhere over the county, all of which adds to the assessed valuation and should lower the tax rate. A healthy and steady growth like this is the best indication of prosperity, for it means the enhanced value of all property, and is much better than mer spasmodic spurts. In another year war conditions will have been adjusted sufficiently so that this increase in industry, population and prosperity will be more by far than the past year has been, for things have been dreadfully upset for several years and it is a wonder we have done half as well as we have. A home in Richmond, for instance, which was worth two thousand dollars before the war, is now worth five thousand, the buildings alone having more than doubled in real value. We look for better times the last half of this year, and a banner year in 1922. Between war conditions and a presidential election, the wonder is we did not progress backward like lobsters and crabs.

Millions of dollars have been lost in California during the past week from grass fires getting away and burning up home places and fields of hay and grain. Berkeley, our sister city, lost a number of fine homes that way, in the hill sections. People cannot be too careful about setting fires now, and campers especially ought to be extra careful, for there is no telling how great a damage may be caused by a grass fire getting away. Never throw a lighted match or a cigar or cigarette stub out of an auto while riding over the country. Quite a large percentage of fires are caused in this manner, and there is no excuse for it whatever. It is just pure carelessness, and nobody has any business or right to be careless about anything that may cause somebody else thousands of dollars.

Councilman Harry Watson was over in the Tuolumne mountain country recently, near Sonora, and also wanted to stay and mine for gold. He had early mining experiences around the Joplin, Missouri, lead mines, and once a fellow gets the mining bee in his bonnet he never gets it out. It is a fascinating game. Watson is a baker now, and has plenty of dough.

Doug. Fairbanks  
is Big Drawing  
Card at Theater

"The Nut," Douglas Fairbanks' fifth production for the United Artists drew a big crowd to the Richmond T. & D. Theater last night. The manner in which a lover gums up his courtship because of his overzealousness is proving one of the most popular plot foundations upon which a photoplay has yet been built.

Another feature that has developed favorable comment is the conviction conveyed in the impersonations of Lincoln, Grant, Napoleon and Tom Thumb. The wealth of sympathy that the hero wins for himself as a "hard luck lover" stamps Douglas Fairbanks as an actor of eccentric invention in interpretation that has won him many new worshippers.

"The Nut" will be seen at the T. & D. Theater again today, together with Buster Keaton in "The Haunted House," which is a feature in itself. Ford news and T. & D. news complete the bill.

## OWNERSHIP OF MYSTERY AIRPLANE IS SOLVED

It was discovered yesterday that the abandoned airplane which had lain neglected for over three weeks in a hay field near San Pablo belongs to a Korean who had purchased it, and that Charles Hunt, a flying instructor of Sacramento, was teaching its owner how to operate it when a burnt-out bearing forced them to land.

The plane was towed into Richmond Thursday night by Frank Scholes, acting under instructions from Chief of Police W. H. Wood.

### HELD TO ANSWER BEFORE THE SUPERIOR COURT

## Opmans Tendered Surprise Party by Pythian Sisters

Members of Contra Costa Temple No. 113, Pythian Sisters, tendered a surprise party to Mr. and Mrs. John Opman at their home at 1700 Macdonald avenue Thursday night.

The guests were taken to the Opmans' new store on Sixteenth street and were shown throughout the building, where the evening was spent in playing games, music and story-telling.

Little Miss Frances Cox delighted the company with a classic dance

which was very gracefully and talentedly executed.

Mrs. Opman was presented with a pair of embroidered pillow slips as a souvenir of the occasion. At a late hour cake and ice cream was served.

Those present were: Mr. and Mrs. A. S. Lilly, Mr. and Mrs. A. Caldwell, Mr. and Mrs. F. Lasby, Mr. and Mrs. John Opman, Mr. and Mrs. A. B. McVicker, Mr. and Mrs. Michel, Mr. and Mrs. E. S. Gregory, Mrs. A. Browning, Mrs. D. Cox, Mrs. H. DeBarrows, Mrs. A. Fry, Mrs. A. Bowyer, Mrs. B. Bagnall, Mrs. H. Archibald, Mrs. L. Collins, Mrs. B. Richards, Mrs. M. Vanskike, Mrs. A. Weiss, J. M. Bareilles, John Skareveski, Archie

McVicker, Jr., Clarence DeBarrows, Miss Shirley Michel, Miss Lorraine Michel, Miss Frances Cox, Miss Josephine Bareilles and Miss Irene Collins.

## Refinancing of Sugar Factory at Crockett Outlined

New financing for the California and Hawaiian Sugar Refining corporation is being planned. It probably will take the form of 8 percent gold debenture notes, secured by a first mortgage on the company's property, the backbone of

which is the refinery at Crockett.

The details of the new financing have not been announced but current talk has it that the aggregate amount of the note issue probably will be \$7,500,000 and the maturity ten years from the date of issue. The proceeds of this note issue, if finally agreed upon, will be used to retire the outstanding short-term notes now held by the

plantation companies, and it will be large enough to provide additional December, when this corporation was re-organized, the carry-over occasioned by the continued decline in the price of sugar was estimated at about \$13,500,000. Through the sale of stock of

the re-organized company to the plantation companies of the Hawaiian Islands \$10,000,000 was raised. The continued depression of the sugar industry has rendered new financing necessary, it is said, and the representatives of the Hawaiian sugar agencies during their recent visit to California outlined roughly the salient features of the proposed note issue.

### SQUARE DANCE CLUB

The Square Dance club will hold a "hard times" dance at Pythian castle this evening. Hostesses for the evening are Mrs. Julia Maskal, Mrs. Reta Evans and Mrs. Mabel Fratis.

More than a million made-up sandwiches are consumed every day by probably a dozen firms which deal in New York's ever hurrying masses exclusively in sandwiches. One man and woman they are on sale firm alone turned out 20,000,000 not only in restaurants and cafeterias last year, at the rate of 40,000 every but at hundreds of soda fountains.

**A MAN FOR THE AGES**  
A STORY OF THE BUILDERS OF DEMOCRACY  
BY IRVING BACHELLER

SYNOPSIS.

**CHAPTER I.**—Samson and Sarah Traylor, with their two children, Josiah and Beisey, travel by wagon from their home in Vergennes, Vt., to the West, the land of plenty. Their destination is the Country of the Sangamon, in Illinois.

**CHAPTER II.**—At Niagara Falls they meet a party of immigrants, among them a young man named John McNeil, who also decides to go to the Sangamon country. All of the party suffer from fever and ague. Sarah's ministrations save the life of a youth, Harry Needles, in the last stages of fever, and he accompanies the Traylor family to New Salem, Illinois, and are welcomed by young "Abe" Lincoln.

**CHAPTER III.**—Among the Traylor's first acquaintances are Lincoln's friends, Jack Kelso and his pretty daughter Bim, 16 years of age.

**CHAPTER IV.**—Samson decides to locate at New Salem, and begins building his house. Led by Jack Armstrong, rowdies attempt to break up the proceedings. Lincoln thrashes Armstrong. Young Harry Needles strikes Ray McNeil, of the Armstrong crowd, and McNeil threatens vengeance.

**CHAPTER V.**—A few days later Harry, alone, is attacked by McNeil and his gang, and would have been roughly used had not Bim driven off her assailants with a shotgun. John McNeil, the Traylor's Niagara Falls acquaintance, is markedly attentive to Ann Rutledge. Lincoln is in love with Ann, but has never had enough courage to tell her so.

**CHAPTER VI.**—Traylor helps two slaves, who had run away from St. Louis, to escape. Elphilett Biggs, owner of the slaves, following them, attempts to beat up Traylor and in a fight has his arm broken.

**CHAPTER VII.**—Waiting for his arm to heal, Biggs meets the Elkins, whom Harry Needles has fallen in love. Biggs asks for Bim's hand, but her father refuses his consent. Biggs returns to St. Louis.

**CHAPTER VIII.**—Bim confesses to Harry that she loves Biggs, and the youth is disconsolate. Lincoln decides to seek a seat in the legislature. He and Harry volunteer for the Black Hawk war, and leave New Salem.

**CHAPTER IX.**—Bim confesses to Harry that she loves Biggs, and the youth is disconsolate. Lincoln decides to seek a seat in the legislature. He and Harry volunteer for the Black Hawk war, and leave New Salem.

**CHAPTER X.**—Bim confesses to Harry that she loves Biggs, and the youth is disconsolate. Lincoln decides to seek a seat in the legislature. He and Harry volunteer for the Black Hawk war, and leave New Salem.

**CHAPTER XI.**—Bim confesses to Harry that she loves Biggs, and the youth is disconsolate. Lincoln decides to seek a seat in the legislature. He and Harry volunteer for the Black Hawk war, and leave New Salem.

## CONCERT OF MUNICIPAL BAND MUCH ENJOYED

All of the seats were taken last night at the open air concert at Tenth and Nevins and many people were seen standing rather than miss any part of the program. A. A. Melody.

Hart, band leader, presented a well planned and pleasing program which thoroughly applauded by the audience. Furthermore one of the songs followed another all in all made the corner at Tenth and Nevins of Richmond a very popular place.

### ABOUT TROUBLE CURED

Oakland, Nov. 1, 1930. To whom it May Concern: I suffered from throat trouble for 15 years, during which time I could neither eat nor swallow without pain. I became very weak and was unable to work for months. I had numerous doctors and then tried a Throat specialist, who told me that my trouble was due to the blood. He advised me to take blood medicine. Thereupon my brother, who had been cured of Stomach Trouble by the FONG WAN HERBS, urged me to try them. After drinking the herbs for 15 weeks, I felt entirely well. I have since gained 25 pounds. It is 10 months since I took the herbs, and I am now giving this testimonial to let the public know that any sufferer should try the FONG WAN HERBS. I am a watchman for the California Food Specialties Co.

(Signed) A. J. Pen, 5423 San Pablo Ave., Oakland, Calif.

## Subscriptions Count The Most Now

(Continued from Page One)  
extra vote offer invaluable when results are considered is the fact that there is no limit to the number of clubs one may secure. Just as soon as you complete one, start another, for each one means thousands of votes extra.

If you are one of those persons who have decided to present yourself with an automobile or a big bag of gold in the Record-Herald tremendous gift distribution, it is safe to bet this evening that your first thought was: "How many votes am I going to get and how can I increase my hold this week?"

And you are right. Now is the time to let loose the brakes. In the language of the aviator, this is the time for the "nose dive," the big glide before the landing. The Record-Herald "Everybody Wins" election is fast reaching its goal. If you are game you can land a car. It's up to you.

There are two weeks left of the "First Period" vote offer.

Briefly, every \$12 dollars worth of subscriptions turned in during the next two weeks means from 113,000 to 130,000 votes, depending upon the length of the subscriptions that compose the "club."

There you are in a nut shell. Now what can you do in two weeks? Lots of things. If you had but two weeks to live, you could get lots of things done. Couldn't you?

Well, you've got just two weeks to turn in these \$12 clubs of subscriptions and receive 130,000 votes for them. In that time you can add immensely to your present total of votes.

### WISER RETURN FROM TRIP TO THE SOUTH

After a trip to all points of interest in the south, Mr. and Mrs. Wiser returned home yesterday. They made the trip in their Chandler car, and report that not a bit of trouble was had during the entire trip.

## D.O.K.K. Ceremony at Pinole Next Saturday Night

The Knights of Pythias held their regular meeting last night and conferred the Page rank on one candidate, Clarence Gardella. The remainder of the evening was devoted to routine business and to the formulation of some of the plans for the D. O. K. K. celebration which is to be held in Pinole next Saturday. Several visitors were present, one being from Idaho, and several speeches were made by the different members.

The K. P.'s have extended an invitation to the ladies of Contra Costa Temple No. 113 and to Richmond Temple No. 86 for the meeting on the night of July 29, which is to be known as ladies' night.

Next Sunday at 10:30 o'clock the baseball team of the lodge will match their skill at the national game with Donnelly crack nine.

## 27 Births Last Month Reported to Health Office

According to the birth list for June of this year just completed by Charles R. Blake, commissioner of health, there were twenty-seven births during the past month as against thirty-one for the same month in 1920. During June 1919 there were twenty-four and the same number for June 1918.

Fifteen of the babies born in Richmond last month were males and twelve females. A detailed list of the recent arrivals follows:

Pleich, June 24, a son; Mrs. A. Pohl, June 9, a son; Mrs. D. Rangel, June 18, a son; Mrs. M. Redfield, June 2, a son; Mrs. G. Regli, June 7, a son; Mrs. F. Skaggs, June 4 a daughter; Mrs. A. Van, June 2, a daughter; Mrs. H. Wells, June 24, twins.

## Members Honored at Meeting of Olive Homestead

Burt House presided at the regular meeting of the Olive Homestead, order of Yeomen in the K. of P. hall. The meeting was also a wedding reception for Mr. and Mrs. Rouse and for the home coming of two former charter members, Mr. and Mrs. A. L. Pearson.

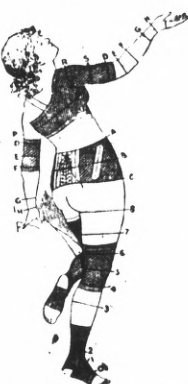

Mrs. Florence Lund of Oakland and Mrs. J. S. Hiburn of Ely, Nevada, were visitors at the meeting. Several interesting talks were made by different members and one of the main features of the evening was the revival of the Virginia Reel for the benefit of those who felt like taking a turn or two to the lively music.

There was also a banquet which figured the latter part of the evening, the food consisting of ham sandwiches, salads, cake and coffee.

Several entertainments are being planned for the month and it is expected by active members that this will be one of the best months of the year for the lodge.

## Dealer Value and Price Value

An automobile has a certain sale value in dollars and cents, depending upon the market price.

It also has another value measured only by the satisfaction its owner gets from the use of it. The market price is no indication of this value.

This latter value is put into the car by the dealer who sells it. His readiness and ability to serve the car owner makes this value little or great.

Our organization is built up to serve, as well as to sell.

## You Are Vitally Concerned

When you wish to raise funds for the support of your Church, Fraternal or Social Organization, what do you do? Do you take the next Train, Trolley or Auto for some other City and begin a canvass for funds? Certainly not, you stay right here in Richmond. You begin at one end of the street and call on everyone until you reach the other end and then go back on the other side.

How about the time when you need some Merchandise or other household necessities? Do you use the same method? Do you continue seeking here in YOUR City until you satisfy your needs? Just think this over a few minutes.

Well, Suppose WE ALL get together and firmly resolve that hereafter we will do ALL our shopping at home. IT will help YOU, it will help your friends—it will help ALL and most of all it will help to BOOM RICHMOND when she needs it.
